

High Precision CNC Machining Parts Metal CNC Mechanical Parts 5 Axis Customized

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Certification: ISO9001, IATF16949
- Minimum Order Quantity: 1pcs
- Price: Negotiated
- Packaging Details: Packed according to the customer's require
- Delivery Time: 5-35days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 10000000pcs/month

Product Specification

- Material: Stainless Steel, Aluminum, Steel, Copper, Brass
- CNC Machining Or Not: Machining
- Keyword: Precision Machining Parts
- Type: Broaching, DRILLING, Laser Machining, Milling
- Model Number: OEM
- Size: Customized Size
- Quality Control: 100% Inspection
- Surface Treatment: Customer's Request
- Highlight: **High Precision CNC Mechanical Parts, 5 Axis Metal CNC Mechanical Parts, Customized 5 Axis CNC Machining Parts**

Product Description

High Precision CNC Machining Parts Metal CNC Mechanical Parts 5 Axis Customized

Product Specifications

Attribute	Value
Material	Stainless steel, Aluminum, Steel, Copper, Brass
CNC Machining	Machining
Type	Broaching, Drilling, Laser Machining, Milling
Model Number	OEM
Size	Customized size
Quality Control	100% Inspection
Surface Treatment	Customer's Request

Precision Custom Made 5 Axis CNC Mechanical Parts

We prioritize quality above all, earning trust and an excellent reputation from our customers. Our certifications include ISO, SGS, and IATF, ensuring third-party verified quality standards.

Manufacturing Capabilities

Services: CNC Turning, CNC Milling, Laser Cutting, Bending, Spinning, Wire Cutting, Stamping, EDM, Injection Molding

Materials: Various brass, aluminum, stainless steel, steel, and plastic options available

Surface Treatments: Anodizing, bead blasting, plating, painting, powder coating, and more

Tolerance: +/-0.05~+/-0.1mm

Drawing Formats: STP, STEP, LGS, XT, AutoCAD (DXF,DWG), PDF, or samples

Lead Time: 1-3 weeks for samples, 3-5 weeks for mass production

Quality Certifications: ISO9001:2015, SGS, RoHs, IATF16949:2016

Product Applications

We manufacture both small accessories and larger components, including products for diving equipment, panels, and radiators. Product videos are available online - contact us for more details. Our team is available 24/7 to assist you.

Frequently Asked Questions

What about your product quality?

Our tooling methods produce equal or superior quality compared to other fabrication techniques.

Which manufacturing methods do you use?

We offer multiple methods including casting, stamping & forming, and laser cutting, selected based on your quantity requirements and preferences.

Do you provide design services?

Yes, we offer design assistance. Contact us early in your design process for optimal results.

What quality standards do you follow?

Our quality control system is ISO 9001:2015 certified.

Company Profile

Sinbo Precision Mechanical Co., Ltd was established in 2013 with a 120 million yuan investment, located in Dongguan City, the world's manufacturing center. Our 18,000 square meter facility employs over 240 staff and specializes in precision parts manufacturing.

We utilize advanced processing technologies including CNC turning/milling, precision cold heading, stamping, and automatic machining. As a national high-tech enterprise, we hold ISO9001 and IATF16949 certifications and have served leading domestic new energy companies for over a decade.
